

## EDUCATION QUALITY ASSURANCE (EQA) WEBINAR

**THURSDAY, OCTOBER 7, 2010**

**2:00 -4:00 PM**

**ONLINE**

BCCIE works closely with stakeholder communities to promote our province's unique Education Quality Assurance (EQA) Designation and our high quality provincial educational institutions to international markets. Our office is extremely proud that our provincial EQA Designation is inclusive of all private and public post-secondary institutions and we strongly believe in the equitable value and representation of all institutions and sectors.

We would like to invite all interested BC post-secondary education institutions to virtually attend BCCIE's inaugural **Webinar Presentation** on the **EQA Designation** on **Thursday, October 7, 2010 from 2:00-4:00 pm**. Webinar Presentations will provide stakeholders with the opportunity to connect with BCCIE staff, ask questions and discuss emerging issues without the expense and effort of long distance travel. The EQA Webinar will provide an opportunity for institutions to learn more about the benefits of the EQA Designation and engage with EQA staff.

This event is open to EQA-designated institutions and non-EQA-designated institutions from both the public and private sector. We welcome any input and insights from all stakeholders to help us refine our processes to reflect our commitment to promoting the EQA brand and to maximize on the effectiveness of our work in representing the BC education system, the designation and EQA institutions to international education markets. Institutions interested in finding out more about EQA can learn about the advantages of designation to your institution, how to qualify for it, and the initiatives underway to promote EQA to the international market.

To virtually attend the October 7, 2010 EQA Webinar, please register online at: <http://bccie.bc.ca/educators/professional-development> before **Wednesday, October 6**.
