

**BCCIE K-12 SECTOR ROUNDTABLE:
JOIN US FOR DISCUSSION**

**FRIDAY, OCTOBER 15, 2010
10:00 AM-12:00 PM
SFU HARBOUR CENTRE
ROOM 1420**

As a non-profit society responsible for supporting the international education goals of BC's education institutions, our ongoing dialogue with you, our stakeholders, is critical to helping us chart the path ahead for the continued and expansion of the industry in the province.

While we have just released our dates for the 2010-11 BCCIE Professional Development Series, we're also very excited to launch our annual series of BCCIE Sector Roundtables. These Sector Roundtables will bring together colleagues from within each of BCCIE's stakeholder communities for focused, engaged dialogue.

Our first K-12 Sector Roundtable, hosted by BCCIE Executive Director Randall Martin, will take place Friday, October 15, from 10:00 am-12:00 pm at SFU Harbour Centre Room 1420. BCCIE will share our plans and goals for the upcoming cycle and look forward to your feedback as to how we might best support and advocate on behalf of the K-12 sector. Each institution or district will also have the opportunity to share updates, news, and to bring forward topics of interest. All staff from public K-12 districts and from independent schools are most welcome to attend.

This event is being coordinated with a BCCIE professional development event. **What's Your Brand? Branding and Collateral for International Educators** will take place from 1:30-4:30 pm in the same room. While the Roundtable is free, there is a nominal charge for the professional development event.

To attend the October 15 Roundtable or the afternoon professional development event, please register online at <http://bccie.bc.ca/educators/professional-development> before **Tuesday, October 12**. Our full 2010-11 schedule of events is now online and may be accessed via the For Educators section of www.bccie.bc.ca.

The next K-12 Sector Roundtable will be held on January 14, 2011. For more information, please contact Ruth Erskine (rerskine@bccie.bc.ca).
