JOIN US FOR DISCUSSION**

**FRIDAY, FEBRUARY 11, 2011
9:00-11:00 AM
PANORAMA A/B, IB
THOMPSON RIVERS UNIVERSITY (TRU)
KAMLOOPS**

As a non-profit society responsible for supporting the international education goals of BC's education institutions, our ongoing dialogue with you, our stakeholders, is critical to helping us chart the path ahead for the continued and expansion of the industry in the province.

In order to hear concerns, share ideas, and engage in dialogue with our colleagues outside the Lower Mainland, BCCIE will be holding Regional Roundtables across the province during 2010-11. **This is BCCIE's second Regional Roundtable, hosted by BCCIE Director, Trevor Corkum.**

BCCIE will share our plans and goals for the upcoming cycle and look forward to your feedback as to how we might best support and advocate on behalf of the international education sector. Colleagues will also have the opportunity to share updates, news, and to bring forward topics of interest. While all international educators from across the province are invited to attend, the Roundtable will particularly address the concerns of educators in institutions and districts in the Interior. International administrators, marketing and student services staff, admissions and study abroad coordinators, faculty and ESL instructors, international students and members of the public are all invited to attend.

This event is being coordinated as part of [TRU International Days](#). To attend the February 11 Roundtable, please register online at www.bccie.bc.ca/educators/professional-development before **Tuesday, February 8**. Our full downloadable PDF 2010-11 schedule of events is now online and may be accessed via the BCCIE website's For Educators section of www.bccie.bc.ca.
